Government Structure
Board of Supervisors
General Information

Each of the five-member Board of Supervisors is elected for a term of six years. All five serve the entire 13.8 square mile area of Concord Township and are elected on an at-large basis rather than by district. There is no mayor, and the Supervisors serve in both legislative and executive roles. The Township Manager is responsible for the day-to-day business of the township.

The Board of Supervisors monthly public meetings are held the first Tuesday of each month, except January when it is the first Monday, first Wednesday if said Tuesday is a legal holiday, or first Thursday if said Tuesday is the general or primary election day.

A mid-month meeting is held the second Tuesday. When a month has five Tuesdays, a second month meeting is held the third Tuesday. Agenda meetings are held the last Tuesday of each month.

All meetings are held at the Concord Township Building at 7:00 p.m.
