Re: Asbestos abatement and Asbestos Removal

PROPOSAL # 2023-1309

Terra Technical Services, LLC (Terra) is pleased to provide the following proposal for the structure removal project located at 501 Washington Avenue in Conshohocken. This proposal is based upon site visits and is for budgetary purposes only.

SCOPE OF WORK: Bulk demolition

- Supply 10 day state notification.
- Gut office as necessary for bulk demolition.
- Supply necessary operators and equipment to remove structure in its entirety.
- Remove slab and associated concrete foundations and crush onsite for reuse.
- Remove and recycle all C&D and salvaged metals offsite.

TOTAL COST: \$ 244,900.00

SCOPE OF WORK: Asbestos Abatement

- Supply 10 day state notification
- Remove and dispose of asbestos siding utilizing asbestos certified personnel.
- Includes disposal and final air monitoring.

TOTAL COST: \$ 37,000.00

WORK PLAN

Mobilization

Terra Technical Services proposes to perform the planned work activities in one mobilization according to schedule. The price quoted herein assumes that the work will proceed without any delays in the schedule.

Safety

Terra Technical Services holds firm to an uncompromising commitment to the highest safety standards. Therefore, all activities undertaken by Terra employees will be performed in accordance with strict compliance to all OSHA rules and regulations.

If you have any questions or concerns, please feel free to contact me at (610) 656-8968.

Sincerely,

Robert Haly
